C is for Corn

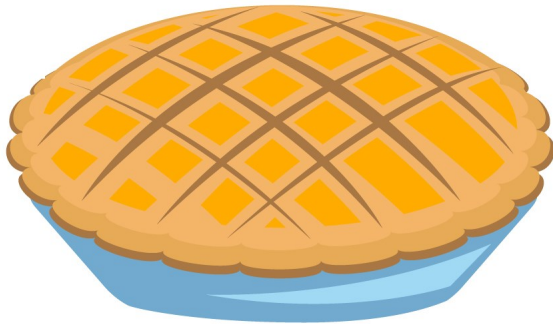

Find your way through the maze by following the corn.

# Missing Letters

Someone wrote the name of the pictures on the lines beside them, but they forgot to write the first letter of the words! Can you help them out? Say the name of the picture. Listen closely when you say it so you can hear the first sound. What letter says that sound? Circle the letter that makes the first sound you hear in the word. If you like, you can write the letter on the line to finish the word.

# Listen for the **P** Sound

It's time to put everything where it belongs for Thanksgiving. We will start by finding everything that starts with the letter **p** and drawing a circle around them. Think of the sound the letter **p** makes at the beginning of a word. Listen for that sound when you say the name of each picture below. If you hear the sound of the letter **p** at the beginning of the word, draw a circle around the picture. Practice writing the letter **p** at the bottom of the page.
