

People first moved to Curitiba in search of gold, but it turned out producing tea and making things with wood that made the city grow. Today it also makes cars, trucks, busses, furniture, and more, and then ships the things it makes all over the world.

I hope you've enjoyed visiting four of the many cities in Brazil! Before you leave to go home, could I ask you to do something special for the people here? Brazil is home to many native peoples as well as people who have moved here from all over the world. Almost two hundred languages are spoken, and many of them don't have Bibles translated for them yet. Many people in Brazil believe in Jesus, but there are millions of people who still do not understand how much Jesus loves them.

Will you remember to pray for the people of Brazil? Here are a few things you can pray for. You can add more prayer requests to the list as you think of them!

Pray that people will have Bibles to read in whatever language they speak.

Pray for the people living in Rio De Janeiro, Curitiba, San Paulo, Manaus, and every city and town to believe in Jesus.
