## Introduction

30 Days of History is designed to give your students 4-6 weeks of daily work focused on a specific topic or time period. Each looks at significant terms and events and asks 7 questions on each that will draw your students into researching and learning more. 30 Days of History: Wars of the Roses looks at this important period in English history and 18 of the important battles. This can be used as a supplement to your history class, a tool to help develop research skills, or fun work to fill in as needed. However you use it, you're sure to learn more about the Wars of the Roses and discover history along the way.

## End of the Plantagenet Dynasty

The Plantagenet family ruled England from 1154 to 1399. The rule of the Plantagenets began with the rule of Henry II, the son of Matilda (daughter of King Henry I) and Geoffrey (Count of Anjou, France). Henry II helped stabilize the English government and founded the English common law system. His son was Richard the Lionhearted. Richard's brother John became king in 1199 and was forced to sign the Magna Carta in 1215. In 1399, the Plantagenet dynasty came to an end when it split into the House of Lancaster and the House of York. The Wars of the Roses were English civil wars fought between these two houses for rule of England.
