
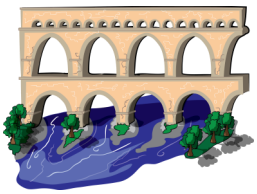
Writing Prompt #1

You wake up to a mystery. The water, which was flowing freely through the aqueduct into the city yesterday, has completely stopped. The city will not survive long without water. You decide to get to the root of the problem. What do you do to investigate? What do you discover?



Writing Prompt #4

You are a brand new Roman soldier, but you have a problem. You have a terrible sense of direction! Every time you are given an assignment, you get lost. Your commander is starting to get angry. What happens next? What do you do?
