

# Introduction

Exploring the United States Coloring Book, Volume 4 looks at the state symbols, landmarks, and other items associated with the states of California, Minnesota, Oregon, Kansas, West Virginia, Nevada, Nebraska, Colorado, North Dakota, and South Dakota. We'll discover the state flag, animals, and places. Ten items, plus the state flag and an outline of the state, are included for each one. I hope you enjoy this journey through ten of our United States!

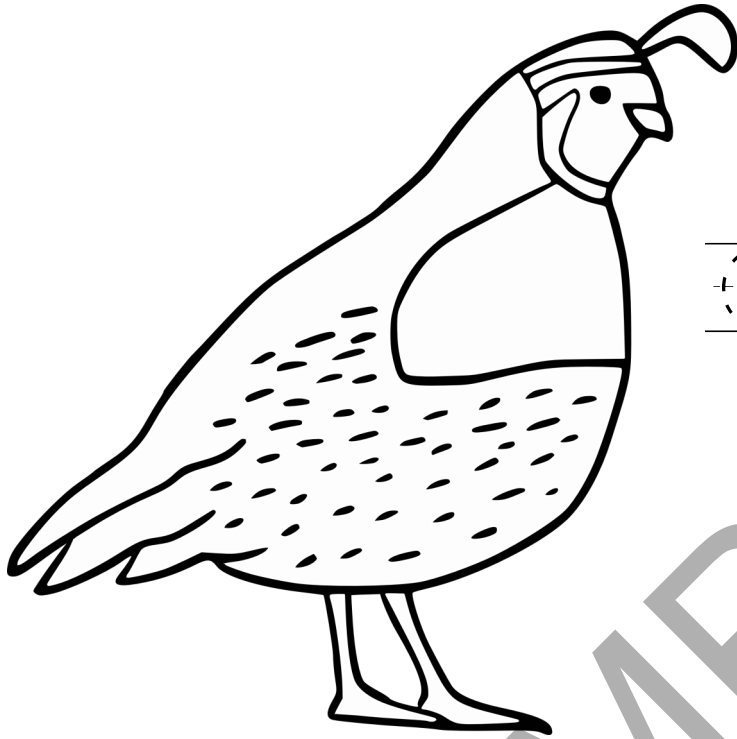

California was the  
thirty-first state  
to join the Union.

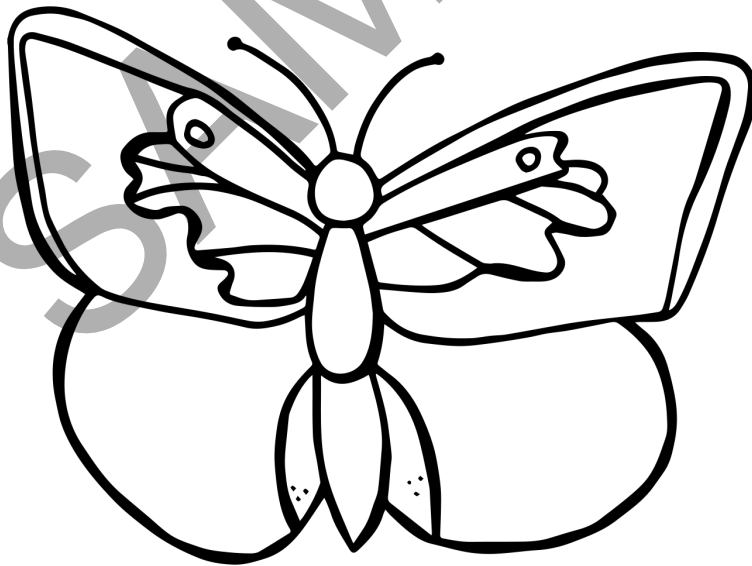

California state flag
