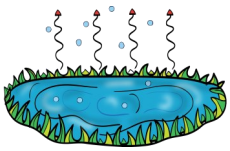
Writing Prompt #1



You are a drop of water in a sidewalk puddle. The sun is shining hot today, and you think this will be the day you evaporate and turn into water vapor. You can't wait! You've heard it is fun! Just as it's almost time, a dog comes out of nowhere! It leans down and stretches a tongue right toward you. If you get licked up by the dog, you won't get to evaporate! You cringe. What happens next?
