Members of co-ops or workshops may reproduce one copy for up to fifteen children. This material cannot be resold or used in any way for commercial purposes. Please contact the publisher with any questions.

Writing Prompt #1

You are a carpenter who has something very strange happen. Suddenly, one morning, you discover your hands have become magnetic. Anything metal that you touch sticks to you. At first, this is quite fun, but when you get to the job site, the nails, the saw, and other tools also stick to you, making it very hard to work. What do you do? How does your day turn out?

### Writing Prompt #2

You are a farmer who goes out to weed a patch of ground, but you have a problem. You cannot remember what you planted there. If you don't know what the plants are supposed to look like, how will you know which are plants and which are weeds? What happens? What do you do?

---

---

---

### Writing Prompt #6

You are reporting on a local event when a very unexpected guest shows up. Who is the guest, and what do you do? Do you get to interview him or her? What happens next?

### Writing Prompt #7

A student comes to your library one day and asks for a book on a most unusual topic. What does the student want to read about? Do you have such a book? Can you help the student find it?

---

---

---

---

---

---

---

---

---

---

---

---

---

---

### Writing Prompt #10

You have a job cleaning houses, and as you are mopping the floor one day, you have an idea for an invention that will completely change the way cleaning is done forever. What is your idea? What do you do with it? If people no longer need you to clean their houses, what will you do for a job?
