

Handwriting Practice in Space: Print

This unit is designed to help young writers learn print handwriting skills. On the first two lines of each page, have your child trace the first keyword five times and write the word themselves in the blank space on the first two lines. Repeat with the second keyword. Then, have your child write the keywords (shown in red in the sentence) on the red lines below. At the end of the book, you will find additional related words your child can practice tracing and blank pages you may use if you wish.

Venus Venus Venus

Venus Venus

size size size

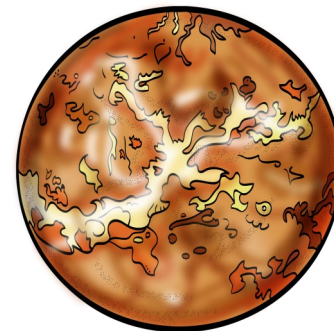

size size

Venus is about the same **size** as Earth and is closest to Earth.

is about the same

as Earth and

is closest to Earth.

Other words about space:

probe

universe

Mercury

satellite

black hole

gravity

Voyager

crater

Atlantis

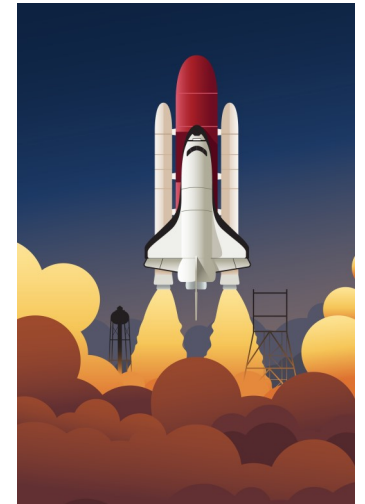

star

meteor

solar flare

rotate

Endeavour
