

Handwriting Practice with Musical Instruments-Print

This unit is designed to help young writers learn print handwriting skills. On the first two lines of each page, have your child trace the first keyword five times and write the word themselves in the blank space on the first two lines. Repeat with the second keyword. Then, have your child write the keywords (shown in red in the sentence) on the red lines below. At the end of the book, you will find additional related words your child can practice tracing and blank pages you may use if you wish.
