## What's in a Name?

There are many towns, cities, states, and bodies of water in the United States today named for Native American tribes or people.

Imagine you are playing a word game. You draw fourteen letter tiles and have to make a word from them. Below are shown the fourteen tiles you have drawn. Use the tiles you need to complete the name of the place referred to in the statement. The instructions tell you how many letters you should use for the name of the place you are to make. If you need help, the words needed are in the word box at the end of the activity.

1. City named after a famous chief of the Suquamish, Duwamish, and other Puget Sound tribes—Use 7 tiles
