

## Print & Cursive Connections: People of the Bible

This unit is designed to help young writers see the connection between print and cursive by practicing them together. In the first pages of the unit, each name is stacked so that print is immediately followed by cursive. Students then trace the names in the same pattern. Finally, students write the names following the pattern. After the thirty-two individual exercises, students practice thirty-one complete sentences using the same pattern.

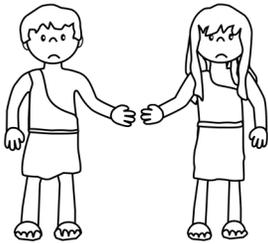

Adam and Eve

*Adam and Eve*

Adam and Eve
