

Publisher's Note: You will notice that there is not a page included for Jesus in this unit. This is not meant to slight Him in any way. Rather, there is no way students could answer the questions in this journal about Jesus and confine their answers to a single page. He is in every page of Scripture, behind every word and syllable of it. He is part of every moment of the Bible and history, and He is involved in every single life. If you wish, having your student do an independent study that explores how they might answer these notebooking questions about Jesus would be a wonderful endeavor.

For names that can refer to more than one individual, students may choose the individual they wish to write about.
