

1710-1770

Marie Camargo

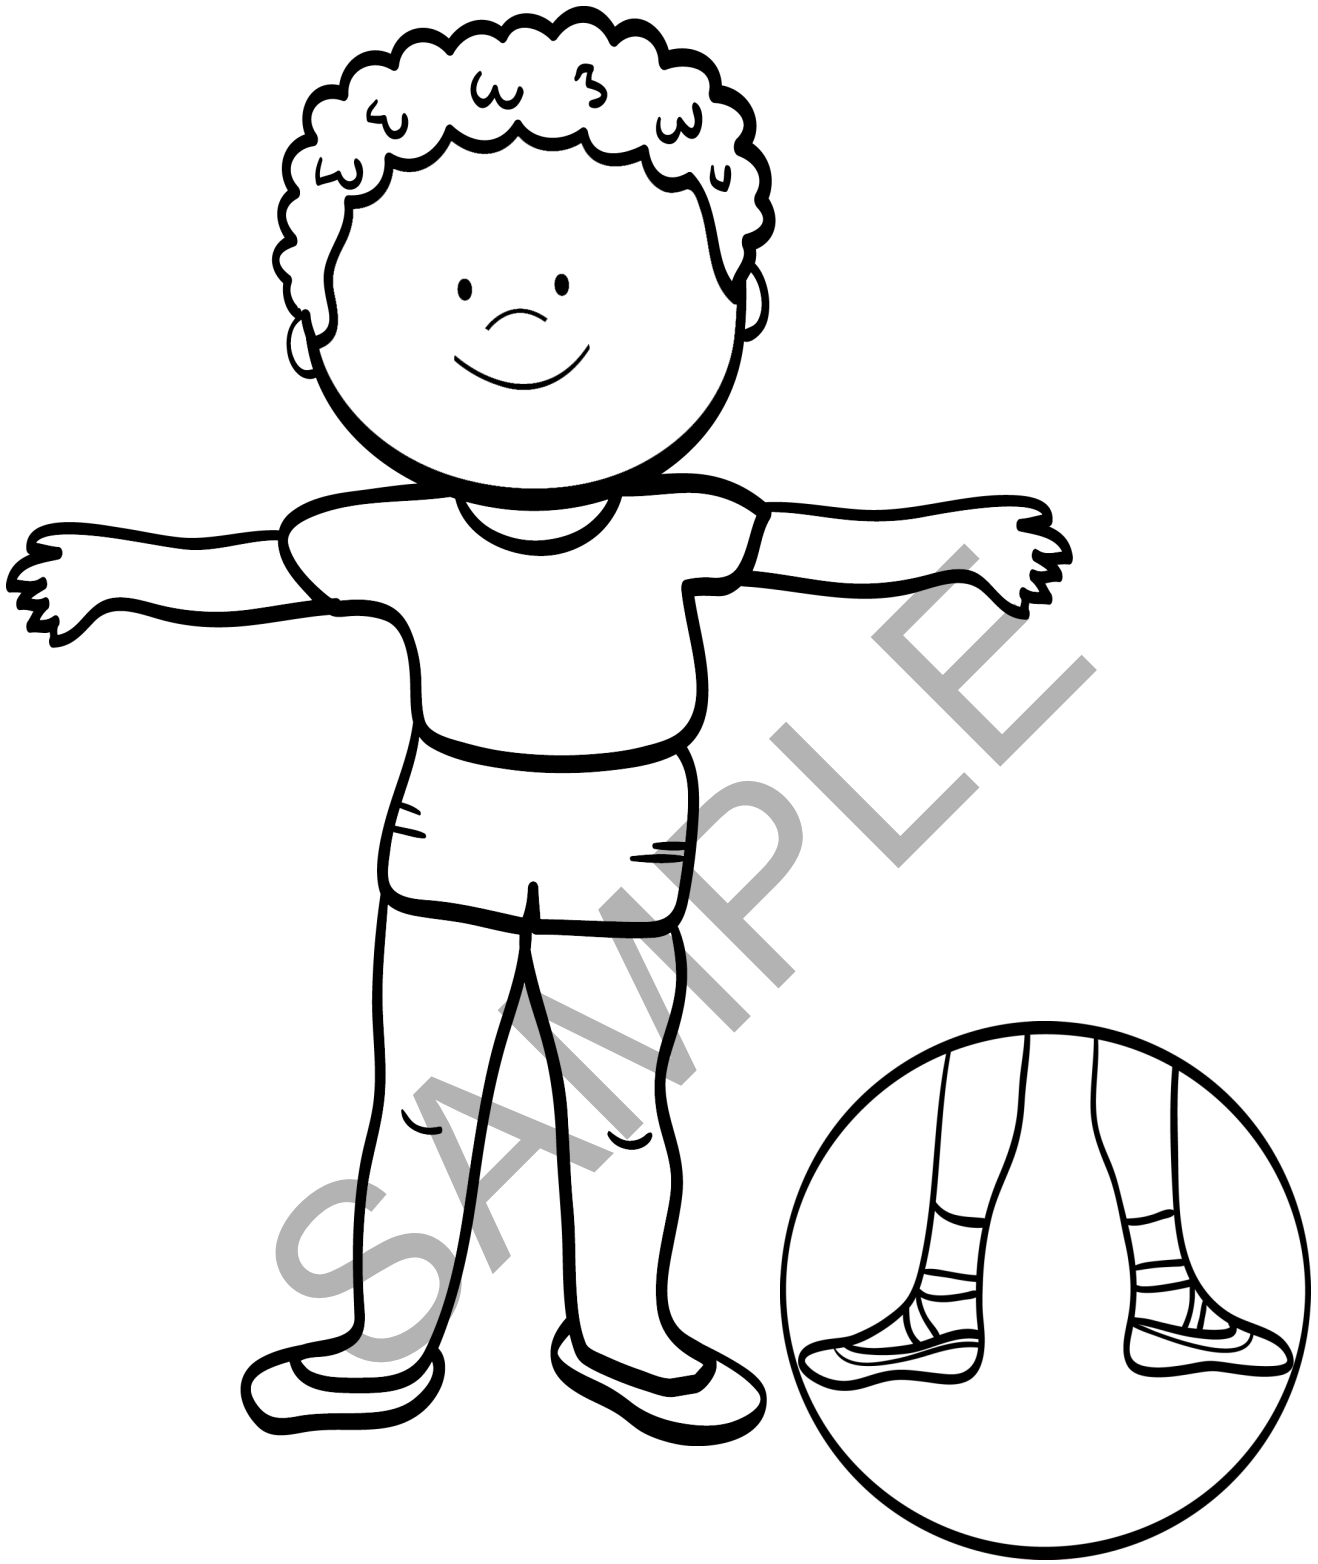

Marie was a famous French ballerina who began many things that are common to ballet today. She made many jumping steps popular for women that only men had done before.

1904-1988

Frederick Ashton

Frederick was a
ballet dancer in
London and
performed in
ballets such as The
Sleeping Beauty. He
later began to
choreograph ballets
and was the director
of England's Royal
Ballet.

Ballet positions:

Second position

For the second
position, keep your
feet turned out, but
slide them about
twelve inches apart.
