Writing Prompt #5

All hippopotamuses love the water, but Meredith loves the water too much. She never wants to come out — not to sleep, eat, or even visit with the zoo guests. She just wants

to stay in the water all day every day. What do you do to convince her to come out once in a while?

Handwriting practice lines with a large diagonal 'SAMPLE' watermark.

Handwriting practice lines consisting of multiple horizontal lines for text entry.
