

Farm Animals Count & Color Activity Pack

On the next few pages, you are going to find a LOT of different kinds of animals that live on a farm like horses, dogs, roosters, pigs, and more! Can you count and color all of them? Do your best, then trace the number of animals and their names at the bottom of each page. When you get to the end, you'll find some really fun number problems and lots of other activities like mazes, drawing, matching, and more!

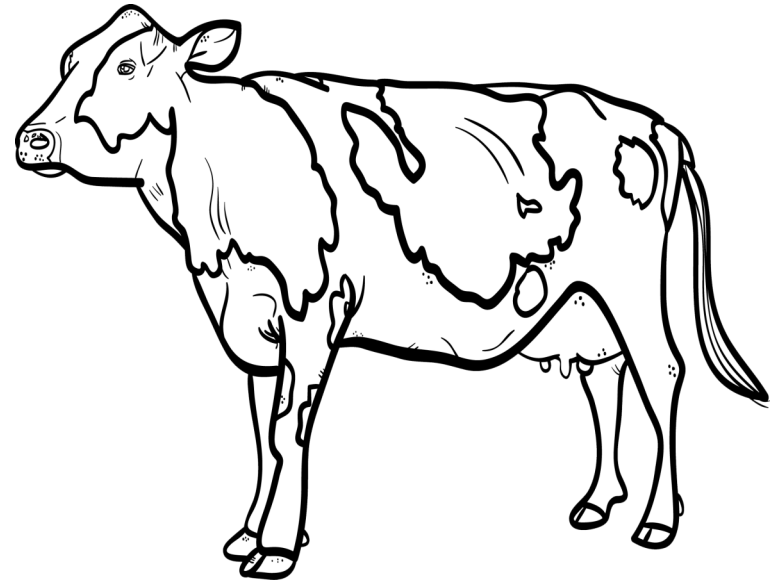

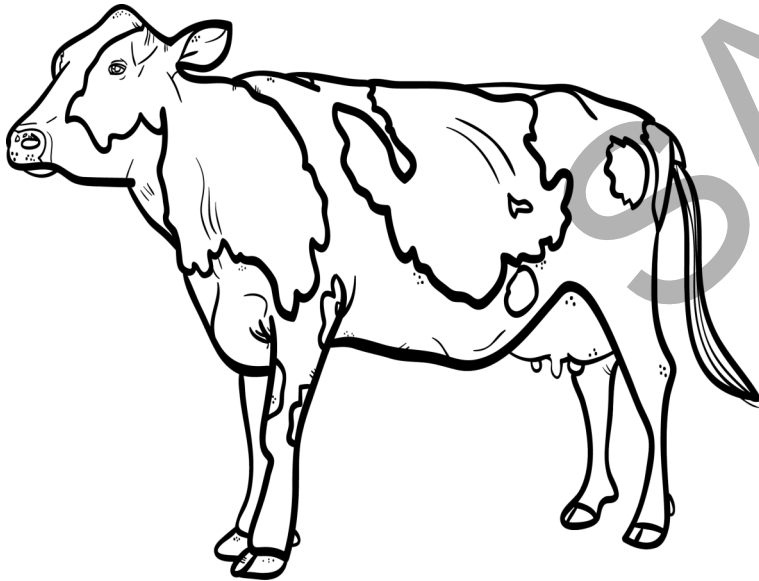

Have fun!

4 Cows

Four Cows

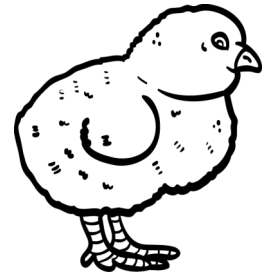

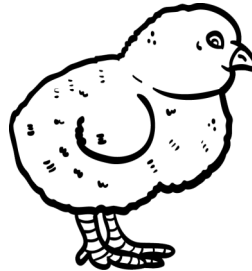

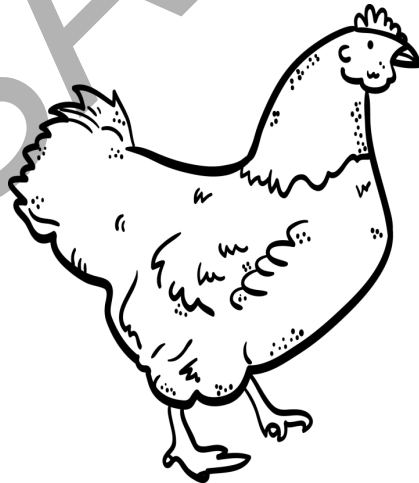

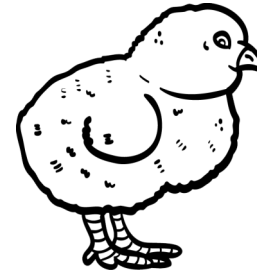

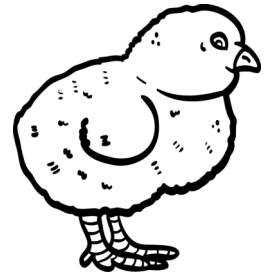

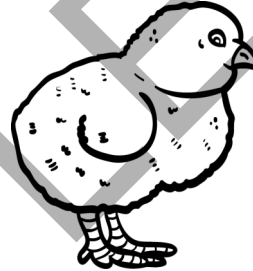

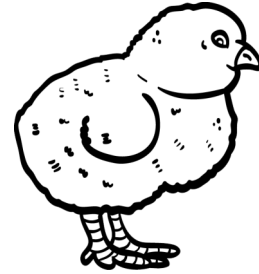

2 Hens

+

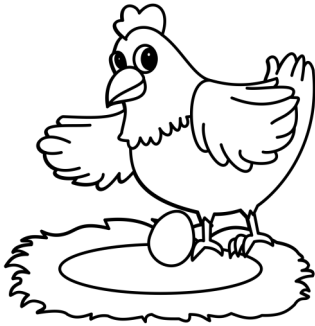

6 Chicks

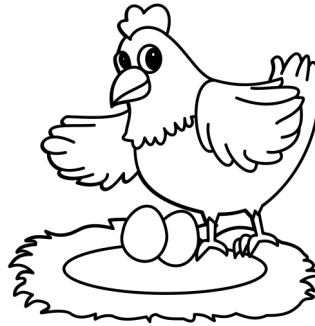

=

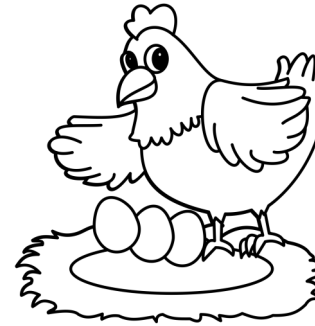

8 Chickens

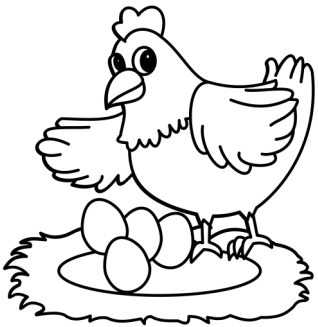

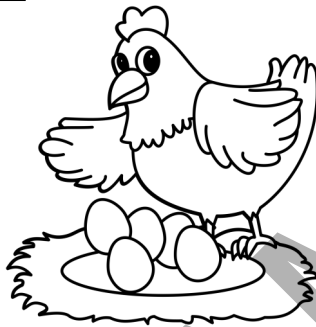

Let's practice counting from 1 to 10. Write the number of eggs on each line.

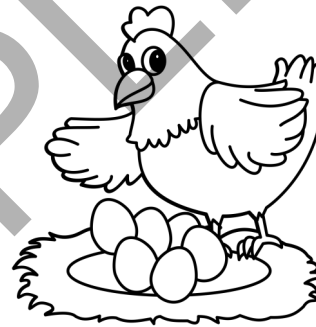

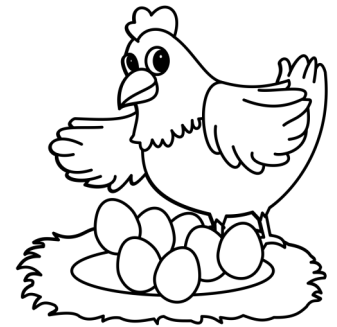

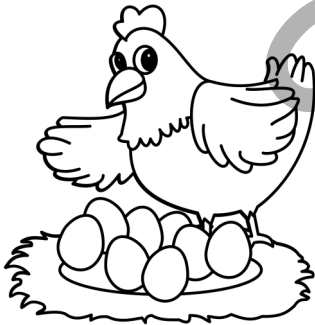

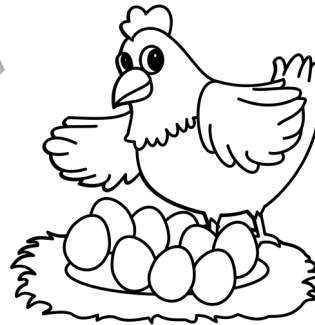

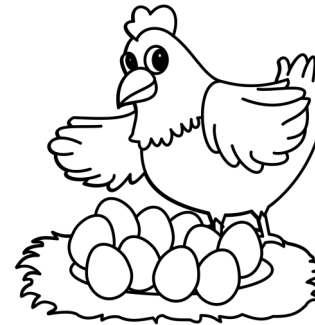

Draw a line between the animal and where it might live.
