

House on the Rock

In Luke 6, Jesus told a parable of a man who built his house on a rock. He said a person who hears what He has to say, trusts Him, and tries to obey Him is like someone who builds a house on a rock. The storm tried to knock the house down but couldn't because it had a strong foundation holding it up. A person who makes Jesus the center of their life has Him to help them when things in life get hard, and they will be safe in Heaven forever. If a person doesn't build their life with Jesus as the center, they will not be able to stand forever in Heaven but will fall.

"Everyone who comes to me and hears my words and does them, I will show you what he is like: he is like a man building a house, who dug deep and laid the foundation on the rock. And when a flood arose, the stream broke against that house and could not shake it, because it had been well built. But the one who hears and does not do them is like a man who built a house on the ground without a foundation. When the stream broke against it, immediately it fell, and the ruin of that house was great." Luke 6:47-49

This parable is also found in Matthew 7:24-27.
